## **YOUTH WEEK – APRIL 21-27**

Attention: All Kids!!!!  
National Credit Union Youth Week is April 21-27. For those youth members that join that week, the credit union will make your first \$5 deposit. Youth week is our opportunity to introduce young members to the benefits of credit union membership. Achieving economic prosperity is difficult. It's especially hard for young people who have never learned how to manage money. The credit union is ideally positioned to respond because we believe in the power of education. We're here to help you launch the youth in your life toward

financial independence. So Mom and Dad or Grandma and Grandpa bring the kids in and sign them up.
