## **YOUTH WEEK – APRIL 20-26**

Credit unions celebrate youth in April. Teach your kids to reach their dreams. You teach your kids to eat right, exercise and wear a bicycle helmet. But do you teach them to save? Saving nourishes dreams, strengthens self-discipline and protects the future. Teach your kids to put income aside today for tomorrow's goals. Help them grow strong and healthy with a credit union savings account. The credit union is ideally

positioned to respond because we believe in the power of education. We're here to help you launch the youth in your life toward financial independence. So Mom and Dad or Grandma and Grandpa bring the kids in and sign them up. We are committed to helping young people build a strong foundation for making financial decisions.

## **STUDENT LOAN PROGRAM**

Coming soon we will have a link on our website to apply for a student loan. We will keep you updated.

## **Spruce up for Spring with a Home Equity Loan**

With interest rates as low as 3.95% APR it's easier and more economical than ever to spruce up for spring. Use the funds to spruce up your house with new landscaping or a new

deck. Or treat yourself to a vacation, new car or some financial relief when you consolidate high interest rate credit cards and pay off other bills, including college tuition. It gives you the flexibility to borrow what you need when you need it and use the funds as you choose. Apply today by visiting us in the office or print an application form from our website [www.polkcountyschools.cu.com](http://www.polkcountyschools.cu.com).
